August 22, 2006

***** REVISED INFORMATION*****

ROUTE 210 CONSTRUCTION WILL REQUIRE FULL INTERSTATE 215/ROUTE 30 CONNECTOR CLOSURES IN SAN BERNARDINO

Route 210 construction will require full closures of both northbound and southbound Interstate 215/Route 30 connector ramps in San Bernardino, beginning August 25 at 5 a.m. through September 22. Construction crews will close Interstate 215/Route 30 connector ramps to modify the connectors and complete utility improvements. Motorists will be directed to use the following detours during this closure period:

- **Southbound Interstate 215 connector to eastbound Route 30**
Motorists should continue on Interstate 215 past the interchange and exit at the 27th Street/Mt. Vernon off-ramp, turn west onto Highland Avenue and turn northeast to enter eastbound Route 30 as an alternate route during this closure.
- **Eastbound Route 30 to northbound Interstate 215**
Motorists should continue on Route 30 past the interchange and exit at the H Street off-ramp, head north on H Street, enter westbound Route 30 and then enter northbound I-215 as an alternate route during this closure.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
